BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

JLP:ddj
Docket No: 7004-00
09 January 2001

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 09 January 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 1780 PERS 604 of 21 November 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF
NAVAL RECORDS

Ref: (a) CNPC memo 5420 PERS-00ZCB of 17 Nov 00
(b) Title 38, United States Code, Chapter 32
(c) Title 38, United States Code, Chapter 30
(d) Veterans Improvement Act of 1996 (PL 104-275)
(e) Veterans Benefits and Health Care Improvement Act of
2000 (PL 106-419)

1. The following is provided in response to reference (a):

a. Recommend the Board deny YN2 [REDACTED]'s request to enroll in the Montgomery GI Bill (MGIB) Program. Eligibility for federally legislated educational benefits programs is determined by the member's initial entry onto active duty. Per reference (b), the educational program available to YN2 [REDACTED] when she entered active duty 19 February 1985 was the Veterans Educational Assistance Program (VEAP). VEAP was available to members who entered the military for the first time between 1 January 1977 and 30 June 1985. It was closed to new enrollments on 30 June 1985, but reopened for five months from 28 October 1986 to 31 March 1987. Members who did not enroll before these deadlines lost their eligibility.

b. Per reference (c), the Montgomery GI Bill (MGIB) Program is the education benefits program available to servicemembers who entered active duty for the first time on or after 1 July 1985. Reference (d) offered MGIB Program enrollment to active duty members with money in a VEAP account on 9 October 1996 (date of enactment). Per reference (e), an individual who was a VEAP participant on or before 9 October 1996 and served continuously from that date through at least 1 April 2000 will be allowed an opportunity to convert from VEAP to the MGIB Program. Unfortunately, no provisions were made in references (c) and (d) for members like YN2 [REDACTED] who did not participate in VEAP.

c. A review of YN2 [REDACTED]'s record indicates she did not enroll in VEAP before the legislated deadlines and, therefore, is not eligible for VEAP benefits. Additionally, since YN2 Poynter

was not a VEAP participant, she is not eligible for conversion to the MGIB Program. Unfortunately, YN2 [REDACTED] is among 45,000 active duty Navy VEAP-era personnel who do not have education benefits; however, Navy does not have the authority to overrule legislation.
